

HIPPITY-HOP TO THE BARBER SHOP

LS E-2 Formation: Single circle, hands joined, with one child in the center to be “Sister Annie” or “Brother Andy.”

SONG ACTION

Hippity-hop to the barber shop : All skip in LOD.

To buy a stick of candy.

One for you, and one for me, : Those in the circle stop,
face center

And one for Sister Annie : and point to someone else in
the circle, to themselves, and then to Sister Annie.

Sister Annie then chooses a boy to be “Brother Andy.” He
goes to the center and the game is repeated.

Note: If the children wonder why one should go to the
barber shop for a stick of candy, remind them that is
where candy used to be sold before we had stores and
have them notice how many modern barber shops have
for a sign a huge peppermint stick in red and white.
